ACCESSORY USES

Any use accessory to a use permitted under this paragraph (a) except for motor vehicle parking spaces, is permitted.

(b) Each use in paragraph (a) is subject to the qualifications, if any, in this paragraph (b), to be complied with before the use is permitted.

(i) A homework use is a permitted residential use provided it is accessory to a dwelling unit and provided:

A. the use is restricted to the following: office, studio, barber, hairdresser, beautician, caterer, dressmaker, seamstress or tailor;

B. the maximum residential gross floor area used for work purposes does not exceed 30 per cent of the residential gross floor area of the dwelling unit;

C. there is no sale of goods except those made in the dwelling unit;

D. there is no outdoor storage associated with the use; and

E. a resident or residents of the dwelling unit work in the area used for work purposes.

(ii) A residential care facility is permitted provided:

A. it occupies the whole of a fully detached building; and

B. it is at least 245 metres from another residential care facility.
SECTION 12 - EXCEPTIONS APPLYING TO SPECIFIC USE DISTRICTS OR SPECIFIC LANDS

(iii) A bed and breakfast establishment is permitted provided:

A. a maximum of two rooms are used for the purpose of providing lodging to the travelling public;

B. the detached house in which the use is located is not simultaneously used for the keeping of roomers and boarders; and

C. the use is operated by a person or persons whose ordinary and principal residence is within the detached house.

RESTRICTED USES

(c) No person shall use any land or erect or use a building or structure for:

(i) a privately-owned outdoor swimming pool;

(ii) for a building or structure having any basement or floor level more than 0.9 metres below grade; (527-1998)

(iii) any purpose below grade other than a crawl space used for storage, heating, cooling, ventilating, electrical or mechanical equipment; or (527-1998)

(iv) subject to section 12(1)387, motor vehicle parking. (527-1998)

DENSITY

(d) No person shall erect or use a building or structure on a lot with a second storey having a residential gross floor area that is greater than 75 per cent of the residential gross floor area of the first storey.

(e) No person shall erect or use a building or structure on a lot in the Ward’s Island Residential Area having a greater residential gross floor area than 140 square metres.

SETBACKS\DEPTH - BUILDING FOOTPRINT

(f) Paragraphs (g) to (v) inclusive, apply only to those portions of a building or structure above the natural or finished surface of the ground, whichever is the lower, at all points adjacent to the exterior walls of the building or structure.

Front Yard Setback: setbacks from the front lot line

(g) No person shall erect or use a building or structure on a lot, where any part of the building or structure is located closer to the front lot line than:

(i) on an inside lot, between existing buildings or structures on lots that have their front lot lines on the same street, the minimum setback from the front lot line shall be the average of the shortest distances by which the front walls of the adjacent existing buildings or structures other than an accessory building or structure are set back from their front lot lines; or
on a lot, where there is only one adjacent building or structure on a lot that has its front lot line on the same street, the minimum setback from the front lot line shall be the shortest distance by which the front wall of the adjacent existing building or structure other than an accessory building or structure is set back from its front lot line. Subparagraphs (i) and (ii) do not apply to prevent the use of a building or structure located closer to the front lot line than required by subparagraphs (i) and (ii), provided the minimum setback from the front lot line of the building or structure is equal to or greater than the setback of that building or structure as it existed on September 19, 1995. (1997-0422)

Subparagraphs (i) and (ii) do not apply to prevent the erection or use of additions to buildings or structures located closer to the front lot line than required by subparagraphs (i) and (ii), provided the minimum setback from the front lot line of the addition is equal to or greater than the setback of that building or structure as it existed on September 19, 1995.

For the purposes of paragraph (g), the setback from the front lot line for the lands known municipally in 1994 as No. 5 Fourth Street, is 4.6 metres.

(a) Side Yard Setback: setbacks from the side lot lines

(i) No person shall erect or use a building or structure on a lot, having any part of the building or structure closer to a side lot line than:

(i) 1.8 metres in the Ward's Island Residential Area; and

(ii) 3.0 metres in the Algonquin Island Residential Area.

Rear Yard Setback: setback from the rear lot line in the Ward's Island Residential Area

(j) No person shall erect or use a building or structure on a lot in the Ward's Island Residential Area, any part of which is closer to the rear lot line than 1.2 metres.

Corner Lots - Ward's Island Residential Area: exceptions to setback requirements

(k) No person shall erect or use a building or structure on a lot known municipally in 1994 as Nos. 11 Willow Avenue, 14 and 16 Lakeshore Avenue, 3, 9, 12 and 14 Channel Avenue, 22, 24, 26, 28, 30 and 32 Bayview Avenue, closer to the front lot line than the line of the main front wall of the building or structure existing on September 19, 1995 as produced to the side lot line.
SECTION 12 - EXCEPTIONS APPLYING TO SPECIFIC USE DISTRICTS OR SPECIFIC LANDS

(l) Notwithstanding paragraph (i), no person shall erect or use a building or structure on a corner lot in the Ward's Island Residential Area, closer to the side lot line facing the flanking street than the shortest distance from that side lot line to the building or structure existing on September 19, 1995.

(m) Notwithstanding the definition of front lot line in section 2(1), on the lands known municipally in the year 1994 as referred to in Column A of the following Table, the front lot line is deemed to be the lot line abutting the street listed in the corresponding row under Column B.

Building Depth

(n) No person shall erect or use a building or structure on a lot having a greater depth than:

(i) 11 metres in the Ward's Island Residential Area; and

(ii) 15.5 metres in the Algonquin Island Residential Area.

AMENDED JUNE, 1997
BUILDING ENVELOPE: height of outside walls and the setback of the second storey

(o) No person shall erect or use a building or structure on a lot where any part of the building or structure penetrates a 60 degree angular plane projected over the interior of the lot, commencing at a height of 3.7 metres at any two of the following:

(i) the required setback from the front lot line;

(ii) the required setback from either of the side lot lines; or

(iii) the maximum permitted depth.

The diagram in paragraph (p) illustrates the above requirement.

(p) Paragraph (o) shall not apply to prevent any person from erecting or using a building or structure on a lot, that projects beyond any of the required two 60 degree angular planes, provided the width of all projections above a height of 5.6 metres in the Ward's Island Residential Area and 6.0 metres in the Algonquin Island Residential Area, do not exceed one half of the width of the base wall of the same face of the building or structure facing the same lot line, as shown on the following diagram.
(q) No person shall erect or use a building or structure on a lot, where the sum of the width of any portion of the building or structure above a height of 5.6 metres in the Ward's Island Residential Area and 6.0 metres in the Algonquin Island Residential Area, measured in the same vertical plane as the base wall of the building or structure, exceeds one half of the width of the base wall of the same face of the building or structure facing the same lot line, unless the portion of the building face above such height is setback more than 0.6 metres from the same building face, as shown on the following diagram.

ACCESSORY BUILDINGS

(r) Subparagraphs (g) to (l) do not apply to the erection or use of an accessory building or structure on a lot, provided:

(i) it has a floor area of less than 12.0 square metres;

(ii) it is no closer to:

A. another building on the same lot in the Algonquin Island Residential Area than 1.5 metres;

B. the front lot line than the distance at which the main building or structure is erected; and

C. a side lot line facing the flanking street, than the greater setback required in paragraph (i) and paragraph (l);

(iii) the total of all of the residential gross floor area and the non-residential gross floor area of all accessory buildings or structures erected on a lot, does not exceed:

A. 12 square metres in the Ward's Island Residential Area; and

B. 23 square metres in the Algonquin Island Residential Area; and

(iv) any exterior wall located closer than 1.5 metres to the nearest lot line is no higher than 2.3 metres above the natural or finished elevation of the ground, whichever is lower.

PERMITTED PROJECTIONS INTO REQUIRED SETBACK AREAS

(s) Paragraphs (g), and (i) to (q) inclusive do not apply to the type of structure listed in the column entitled "STRUCTURE" in the following chart, provided that the restrictions set out opposite the structure in the columns entitled "LOCATION OF PROJECTION", "MAXIMUM PERMITTED PROJECTION" and "OTHER APPLICABLE QUALIFICATIONS" are complied with.

PARKING OF TRAILERS / BOAT STORAGE

(t) The occupant of a lot, building or structure may personally use the lot, or an accessory building or structure for the parking or storage of a boat and or boat trailer provided:

(i) they are not connected to an electrical, water or gas supply; and

(ii) they are not used for living accommodation or recreational use while on the lot.

LOTS TO BE CAPABLE OF CONVEYANCE

(u) No person shall erect or use a building or structure on a lot in the Algonquin Island Residential Area or in the Ward's Island Residential Area except on a parcel of land that could, at the time of application for a building permit, be conveyed in compliance with the provisions of the Planning Act or the Toronto Islands Residential Communities Stewardship Act, 1993 as if the lot were owned by a person subject to the provisions of the Planning Act or the Toronto Islands Residential Communities Stewardship Act, 1993 and not the Queen in right of the Province of Ontario.

BY-LAW REQUIREMENTS THAT DO NOT APPLY

(v) The requirements set out in Sections 4(4), 6(1), 6(2), 6(3) PART II 1, 2, 3, 4, 5, 7, 8, 6(3) PART IV 1(c), 6(3) PART VI, 6(3) PART IX 1(a), shall not apply to the Algonquin Island Residential Area or the Ward's Island Residential Area.

For the purposes of this exception:

"height" means where a building or structure other than an accessory building or structure subject to section 4(2)(d) is located on a lot in the Algonquin Island Residential Area or in the Ward's Island Residential Area, the vertical distance between the average elevation of the natural or finished level of the ground, whichever is lower, along the side lot lines or flank opposite the building or structure, and the highest point of the roof;

"landscaped open space" means open, unobstructed space on a lot that is suitable for the growth and maintenance of grass, flowers, bushes and other landscaping including the part of a lot unoccupied by a building or structure by reason of the operation of paragraphs (g) to (s) inclusive, and notwithstanding the foregoing includes any:

surfaced walk, patio or similar area; tennis or badminton court or other similar sports or recreational area; uncovered platform attached to a main side or rear wall or front wall of a house that is in compliance with paragraph (s)(D);

but does not include a curb, retaining wall or open space beneath or within a building or structure; and

12(2).178

AMENDED JUNE, 1997
"street"
has the same meaning as the term has as defined in section 2(1) and as well includes the streets and avenues shown on the attached map.
